

South West Lisas Gardens Scores with Carillion

Company Carillion Caribbean

Location Trinidad

Social Initiatives

Community liaison

Residents of South West Lisas Gardens recently benefited from Carillion Caribbean Limited's Community Relations Programme through the kind donation of a pair of goal posts.

Concerned members of the community, which is located directly across from Carillion's Head Office at Couva, formed an Environmental Committee geared towards 'creating a better quality of life' for all residents.

The Committee's project for 2000 was the enhancement of the recreation field in the area so that the young people of the area would have access to sports and other activities.

Carillion's Fabrication Shop & Depot Facilities at Waterloo contributed the materials, fabricated and installed the goal posts.

Mrs. Joyce Herbert, Secretary of the Committee, on behalf of the other members expressed their immense thanks at the hand over, 'for the kind donation which, will go a long way towards enhancing the field.' She also added her personal thanks to all members of Carillion's staff 'who made this dream a reality.'
